

# East Ayrshire by Numbers

## Population and Households Metadata

**November 2022**

This document contains details of the sources of the data used in the Population and Households section of East Ayrshire by Numbers.

### Population estimates

These population estimates are from data downloaded from tables in the National Records of Scotland web site <https://www.nrscotland.gov.uk/statistics-and-data/statistics/statistics-by-theme>

#### For Scotland level data

- Population > Population Estimates > Mid-Year Population Estimates > Mid-2021 population estimates Scotland Table 2
- The current dataset was published in **July 2022**.
- The next dataset is due to be published in **TBC**.

#### For Council level data

- Population > Population Estimates > Mid-Year Population Estimates > Mid-2018 population estimates Scotland Table 2
- The current dataset was published in **July 2022**.
- The next dataset is due to be published in **TBC**.

#### For Ward level data

Population > Population Estimates > Other geographies (2011 Data Zone based) > Electoral Ward Population Estimates (2011 Data Zone based) 2021 table

The current data set was published in **September 2022**

The next dataset is due to be published in **TBC**.

#### For Locality level data

Data is not published for Locality level population estimates

These have been calculated from the Ward level data.

### Population projections

These population projections are from data downloaded from tables in the National Records of Scotland web site <https://www.nrscotland.gov.uk/statistics-and-data/statistics/statistics-by-theme>

#### For Scotland level data

Population > Population Projections > Population Projections Scotland > Projected Population of Scotland (2020-based) > Charts and Data

The current dataset was published in **January 2022**.

The next dataset is due to be published in **TBC**.

#### For Council level data

Population > Population Projections > Sub-National Population Projections > 2018-based > Population Projections for Scottish Areas (2018-based) > Detailed tables > Council areas first table

The current dataset was published in **March 2020**.  
The next dataset is due to be published in **TBC**.

**For Ward level data**

NRS Population > Population Projections > Population and Household Projections for Scottish Sub-Council Areas (2012-based) List of detailed tables

The current data set was published in **2016**.

This dataset is **not due to be updated**.

**For Locality level data**

Data is not published for Locality level population projections.

These have been calculated from the Ward level data.

As such, it is not due to be updated.

## Long term health problem or disability

This data comes from the 2011 Census

It shows the extent to which people say their day to day activities are limited by a long term health condition or disability.

We have recorded those with limitations, whether a little or a lot.

**For Scotland level data**

**For Council level data**

**For ward level data**

<https://www.scotlandscensus.gov.uk/ods-web/standard-outputs.html>

Table QS303SC - Long-term health problem or disability All people

**For Locality level data**

Data is not published for Locality level.

These have been calculated from the Ward level data.

## Ethnicity (not White / Scottish / British

This data comes from the 2011 Census

We have recorded those who are not White / Scottish / British.

**For Scotland level data**

**For Council level data**

**For ward level data**

<https://www.scotlandscensus.gov.uk/ods-web/standard-outputs.html>

Table KS201SC - Ethnic group All people

**For Locality level data**

Data is not published for Locality level.

These have been calculated from the Ward level data.

## Land area HA

This data comes from Scottish Government official statistics.

**For Scotland level data**

**For Council level data**

**For ward level data**

[https://statistics.gov.scot/data\\_home](https://statistics.gov.scot/data_home) > Atlas > Key Facts > Housing

**For Locality level data**

Data is not published for Locality level.

These have been calculated from the Ward level data.

Publication date: February **2017** (modified in February 2019)

Update due: no information

## Household and dwellings estimates

These estimates are from data downloaded from tables in the National Records of Scotland web site

<https://www.nrscotland.gov.uk/statistics-and-data/statistics/statistics-by-theme>

**For Scotland and Council level data**

- Households > Household Estimates > Estimates of Households and Dwellings in Scotland, 2021 (All tables, Table 4)
- The current dataset was published in **June 2022**.
- The next dataset is due to be published in **June 2023**.

**For Ward and Locality level data**

- **Total number and number vacant**
- Aggregated from Data Zones in Households > Household Estimates > Small Area Statistics on Households and Dwellings > Household estimates by datazone (2011 Datazone tables, 2021)
- The current dataset was published in **June 2022**.
- The next dataset is due to be published in **June 2023**.
- **% in Council Tax bands**
- Aggregated from Data Zones in Households > Household Estimates > Small Area Statistics on Households and Dwellings > Dwelling estimates by datazone (2011 Datazone tables, 2021)

## Median house price £

This data comes from Scottish Government official statistics.

**For Scotland level data**

**For Council level data**

**For ward level data**

[https://statistics.gov.scot/data\\_home](https://statistics.gov.scot/data_home) > Atlas > Key Facts > Housing

**For Locality level data**

Data is not published for Locality level.

Published in July **2014** (modified in April 2018)

Next update due **TBC**

## Household projections and composition estimates

These estimates are from data downloaded from tables in the National Records of Scotland web site <https://www.nrscotland.gov.uk/statistics-and-data/statistics/statistics-by-theme>

### For Scotland and Council level data

- Households > Household Projections > Household Projections for Scotland, 2018-based (Detailed Council area tables)
- The Scotland and Council level data is published every two years.
- The current data is for 2018, published in **September 2022**
- The next update is for 2020 due **TBC**.

### For Ward level data

- Population Projections > Population and Household Projections Sub-Council Areas > 2012-based > List of detailed tables (Household projections)
- The Ward level data is from 2012, published in **2016** and is not expected to be updated.

### For Locality level data

- Household projections are not provided at this level; the data is aggregated from the Ward level data.
