Education and Learning

Lifelong learning is a key theme which underpins identified actions and shapes, informs and drives the learning agenda in East Ayrshire. Raising the educational attainment and achievement of our young people is essential to preparing them for the world of work and supporting them into adulthood. In recent years, we have seen improved performance in relation to pupil attainment in our secondary schools and the percentage of our young people who have secured positive and sustained destinations on leaving school is higher than the national average.

To maximise the potential of our young people and the wider workforce to deliver the capability that employers and the economy need, work is being taken forward to build stronger links between school, training, college, university and work. Investment in the Further Education sector locally and the creation of the new Ayrshire College campus at Hill Street in Kilmarnock will ensure that residents continue to prepare for job opportunities and working closely with local businesses will ensure that learning, skills and qualifications are aligned to current and future business need.

School Attendance

In 2018/19, there were 1,068 children attending East Ayrshire primary schools and 712 young people attending the East Ayrshire secondary school in Ward 8.

Primary school attendance within Ward 8 ranged from a low of 92.3% to a high of 96.5%. This compares with an East Ayrshire primary school attendance rate of 94.0%.

WELLBEING

Opportunities continue to be provided for residents to improve their overall wellbeing, lead an active, healthy life and make positive lifestyle choices.

It is recognised that there are significant challenges in respect of the wellbeing of local communities, which will be tackled through the integrated health and social care arrangements. Over the coming years, the integration arrangements implemented in East Ayrshire will bring significant change to the way in which health and care services are delivered, including an important and developing role for the Third Sector in the provision of services and the attainment of health and wellbeing outcomes.

% of mothers who smoke at ante-natal booking visit and low birth weights 2017-2019			
Area	Current Smokers	Former Smokers	Healthy Birth Weights
Ward 8	23%	20%	83%
East Ayrshire	19%	19%	83%

Source: ScotPHO

In Ward 8, 23% of mothers smoke at their ante-natal booking, which is above East Ayrshire as a whole. 20% are former smokers. The percentage of healthy birth weights is the same as the East Ayrshire figure.

Children's Health			
Area	P1 Dental Health 2018/19	P7 Dental Health 2018/19	P1 Healthy Weight 2018/19
Ward 8	53%	49%	78%
East Ayrshire	60%	54%	76%

Source: SCOTPHO

With regard to children's health in Ward 8, the percentage of children in P1 with no obvious dental decay is 53%, which is below the East Ayrshire figure. When looking at P7 dental health this falls to 49% with no obvious dental decay, which is below the East Ayrshire figure. The percentage of P1 pupils in ward with a healthy weight is higher than the East Ayrshire figure.

Health Inequalities

Despite overall improvements in health, individuals living in our most deprived communities experience much poorer health, wellbeing and life chances than those living in our least deprived areas.

Area Profile – Ward 8: Cumnock and New Cumnock

The integration of health and social care will be a further opportunity to address the deep seated inequalities in East Ayrshire by focusing social care and wellbeing in the regeneration of our communities.

Five data zones within Ward 8 are within the most deprived 0-15% areas with regards to health. This is 26% of the ward's data zones. The respective figure for East Ayrshire is 24%.

Poverty and Deprivation

East Ayrshire as a whole has higher levels of poverty than the Scottish average. In addition, there are sharp contrasts in the prosperity of communities across East Ayrshire, with some experiencing significant disadvantage while others are relatively affluent. In the north of the Authority, high levels of deprivation co-exist with the relatively wealthy commuting population.

Scottish Index of Multiple Deprivation 2020

There are 19 Data Zones in Ward 8, which is 12% of the East Ayrshire total (163 Data Zones). There are:

- 5 data zones in the 0-20% most deprived; and
- none in the 0-5% most deprived.

It should be noted that statistics contained within this Ward Profile are based on the most up to date information available at the time of publication.
